

Got Meds?

Almost half of all opioid misuse starts with a friend or family member's prescription.¹ Cleaning out old, unused medicine from your home is a primary defense in preventing prescription drug abuse.

4 out of 5 people who started using heroin in the past year had previously used prescription pain relievers non-medically.²

¹Annals of Internal Medicine September, 2017.

²Drug Alcohol Dependence February, 2013.

What should I dispose of?

- Unused Prescription Drugs
- Expired Over the Counter Medicine
- Old Dietary Supplements

How can I find a disposal location near me?

We need your help supporting prescription drug disposal capacity in Ohio!

Ohio's SPF Rx has created an interactive prescription drug disposal website and we need your help!

- Help spread the word! Order flyers, download templates and share the link on social media www.OhioRxDisposal.com
- Update the disposal list. Did we miss a site? Do you have a new site in your town? Please submit updated locations to Tessa Miracle at tmiracle@interactforchange.org or call 513-458-6633
